Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 6-3.5-1.1-2, AS AMENDED BY P.L.162-2006, SECTION 27, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) The county council of any county in which the county option income tax will not be in effect on July 1 of a year under an ordinance adopted during a previous calendar year may impose the county adjusted gross income tax on the adjusted gross income of county taxpayers of its county effective July 1 of that year.

(b) Except as provided in section 2.3, 2.5, 2.7, 2.8, 2.9, 3.3, 3.5, or 3.6, or 3.7 of this chapter, the county adjusted gross income tax may be imposed at a rate of one-half of one percent (0.5%), three-fourths of one percent (0.75%), or one percent (1%) on the adjusted gross income of resident county taxpayers of the county. Any county imposing the county adjusted gross income tax must impose the tax on the nonresident county taxpayers at a rate of one-fourth of one percent (0.25%) on their adjusted gross income. 2	(c) To impose the county adjusted gross income tax, the county
3	council must, after January 1 but before April 1 of a year, adopt an
4	ordinance. The ordinance must substantially state the following:
5	"The County Council imposes the county adjusted
6	gross income tax on the county taxpayers of County.
7	The county adjusted gross income tax is imposed at a rate of
8	percent (%) on the resident county taxpayers of the
9	county and one-fourth of one percent (0.25%) on the nonresident
0	county taxpayers of the county. This tax takes effect July 1 of this
.1	year.".
2	(d) Any ordinance adopted under this section takes effect July 1 of
.3	the year the ordinance is adopted.
4	(e) The auditor of a county shall record all votes taken on
.5	ordinances presented for a vote under the authority of this section and
6	immediately send a certified copy of the results to the department by
7	certified mail.
8	(f) If the county adjusted gross income tax had previously been
9	adopted by a county under IC 6-3.5-1 (before its repeal on March 15,
20	1983) and that tax was in effect at the time of the enactment of this
21	chapter, then the county adjusted gross income tax continues in that
22	county at the rates in effect at the time of enactment until the rates are
23	modified or the tax is rescinded in the manner prescribed by this
24	chapter. If a county's adjusted gross income tax is continued under this
25	subsection, then the tax shall be treated as if it had been imposed under
26	this chapter and is subject to rescission or reduction as authorized in
27	this chapter.
28	SECTION 2. IC 6-3.5-1.1-3.7 IS ADDED TO THE INDIANA
29	CODE AS A <b>NEW</b> SECTION TO READ AS FOLLOWS
0	[EFFECTIVE UPON PASSAGE]: Sec. 3.7. (a) A county fiscal body
31	may, by ordinance, determine that additional county adjusted
32	gross income tax revenue is needed in the county to fund the

55	(2) a juvenile detention center or other juvenile services
66	facility; or
37	(3) both subdivisions (1) and (2).
8	(b) As soon as practicable after the adoption of an ordinance
9	under this section, the county fiscal body shall send a certified copy
10	of the ordinance to the county auditor, the department of local
1	government finance, and the department of state revenue.
12	(c) In order to impose the county adjusted gross income tax as

provided in this section, the county fiscal body must adopt an ordinance:

- (1) finding and determining that revenues from the county adjusted gross income tax are needed in the county to fund the operation and maintenance of a jail, a juvenile detention center, and other facilities necessary to provide juvenile services; and
- (2) agreeing to freeze for the term in which an ordinance is in effect under this section the part of any property tax levy imposed in the county for the operation of the jail, juvenile detention center, and other facilities covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county adjusted gross income tax revenue is collected in the county under this section.
- (d) Notwithstanding section 2 of this chapter, if the county council adopts an ordinance under subsection (a), the county council may impose the county adjusted gross income tax at a rate not more than one and twenty-five hundredths percent (1.25%) on adjusted gross income. The county fiscal body may increase the rate, decrease the rate, or rescind the additional tax rate in the manner provided under this chapter.
- (e) An ordinance adopted under this section before April 1 in a year applies to the imposition of county adjusted gross income taxes after June 30 in that year. An ordinance adopted under this section after March 31 of a year initially applies to the imposition of county adjusted gross income taxes after June 30 of the immediately following year.
- (f) If a county imposes an additional county adjusted gross income tax under this section, the revenue derived from the additional tax rate on adjusted gross income:
  - (1) shall be paid to the county treasurer;
  - (2) may be used only to pay the costs of operating a facility described in subsection (a); and
  - (3) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.
- (g) Notwithstanding any other law, a county fiscal body that has adopted an ordinance under this chapter to impose an additional county adjusted gross income tax rate to fund the construction of a jail, juvenile detention center, or other juvenile services facility, may amend the ordinance to permit the tax revenues from the additional tax rate to be used to pay the costs of operating the

SECTION 3. IC 6-3.5-1.1-9, AS AMENDED BY P.L.207-2005, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) Revenue derived from the imposition of the county adjusted gross income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount to be distributed to a county during an ensuing calendar year equals the amount of county adjusted gross income tax revenue that the department, after reviewing the recommendation of the budget agency, determines has been:

- (1) received from that county for a taxable year ending before the calendar year in which the determination is made; and
- (2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county adjusted gross income tax made in the state fiscal year.

- (b) Before August 2 of each calendar year, the department, after reviewing the recommendation of the budget agency, shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted under subsections (c), (d), (e), (f), and (g). The department shall provide with the certification an informative summary of the calculations used to determine the certified distribution.
- (c) The department shall certify an amount less than the amount determined under subsection (b) if the department, after reviewing the recommendation of the budget agency, determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.
- (d) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the

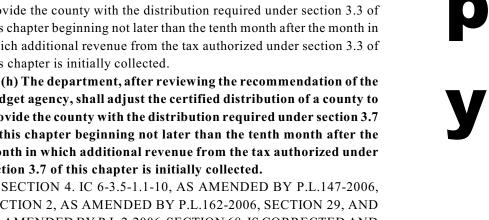

recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

- (e) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide the county with the distribution required under section 10(b) of this chapter.
  - (f) This subsection applies to a county that:
    - (1) initially imposes the county adjusted gross income tax; or
- (2) increases the county adjusted income tax rate; under this chapter in the same calendar year in which the department makes a certification under this section. The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The department shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).
- (g) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide the county with the distribution required under section 3.3 of this chapter beginning not later than the tenth month after the month in which additional revenue from the tax authorized under section 3.3 of this chapter is initially collected.
- budget agency, shall adjust the certified distribution of a county to provide the county with the distribution required under section 3.7 of this chapter beginning not later than the tenth month after the month in which additional revenue from the tax authorized under section 3.7 of this chapter is initially collected.

SECTION 4. IC 6-3.5-1.1-10, AS AMENDED BY P.L.147-2006, SECTION 2, AS AMENDED BY P.L.162-2006, SECTION 29, AND AS AMENDED BY P.L.2-2006, SECTION 68, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) Except as provided in subsection (b), one-half (1/2) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 8 of this chapter to the appropriate county treasurer on May 1 and the other one-half (1/2) on November 1 of that calendar year.

(b) This subsection applies to a county having a population of more than one hundred forty-five thousand (145,000) but less than one

SECTION 6. IC 6-3.5-6-18, AS AMENDED BY P.L.162-2006,

SECTION 31, AND AS AMENDED BY P.L.184-2006, SECTION 6, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) The revenue a county

42 auditor receives under this chapter shall be used to:

1	(1) replace the amount, if any, of property tax revenue lost due to
2	the allowance of an increased homestead credit within the county;
3	(2) fund the operation of a public communications system and
4	computer facilities district as provided in an election, if any, made
5	by the county fiscal body under IC 36-8-15-19(b);
6	(3) fund the operation of a public transportation corporation as
7	provided in an election, if any, made by the county fiscal body
8	under IC 36-9-4-42;
9	(4) make payments permitted under IC 36-7-15.1-17.5;
10	(5) make payments permitted under subsection (i);
11	(6) make distributions of distributive shares to the civil taxing
12	units of a county; and
13	(7) make the distributions permitted under section sections 27, 28,
14	and 29, and 30 of this chapter.
15	(b) The county auditor shall retain from the payments of the county's
16	certified distribution, an amount equal to the revenue lost, if any, due
17	to the increase of the homestead credit within the county. This money
18	shall be distributed to the civil taxing units and school corporations of
19	the county as though they were property tax collections and in such a
20	manner that no civil taxing unit or school corporation shall suffer a net
21	revenue loss due to the allowance of an increased homestead credit.
22	(c) The county auditor shall retain:
23	(1) the amount, if any, specified by the county fiscal body for a
24	particular calendar year under subsection (i), IC 36-7-15.1-17.5
25	IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified
26	distribution for that same calendar year; and
27	(2) the amount of an additional tax rate imposed under section 27,
28	28, <del>or</del> 29, <b>or 30</b> of this chapter.
29	The county auditor shall distribute amounts retained under this
30	subsection to the county.
31	(d) All certified distribution revenues that are not retained and
32	distributed under subsections (b) and (c) shall be distributed to the civil
33	taxing units of the county as distributive shares.
34	(e) The amount of distributive shares that each civil taxing unit in
35	a county is entitled to receive during a month equals the product of the
36	following:
37	(1) The amount of revenue that is to be distributed as distributive
38	shares during that month; multiplied by
39	(2) A fraction. The numerator of the fraction equals the allocation
40	amount for the civil taxing unit for the calendar year in which the
41	month falls. The denominator of the fraction equals the sum of the

1	the calendar year in which the month falls.
2	(f) The department of local government finance shall provide each
3	county auditor with the fractional amount of distributive shares that
4	each civil taxing unit in the auditor's county is entitled to receive
5	monthly under this section.
6	(g) Notwithstanding subsection (e), if a civil taxing unit of an
7	adopting county does not impose a property tax levy that is first due
8	and payable in a calendar year in which distributive shares are being
9	distributed under this section, that civil taxing unit is entitled to receive
10	a part of the revenue to be distributed as distributive shares under this
11	section within the county. The fractional amount such a civil taxing
12	unit is entitled to receive each month during that calendar year equals
13	the product of the following:
14	(1) The amount to be distributed as distributive shares during that
15	month; multiplied by
16	(2) A fraction. The numerator of the fraction equals the budget of
17	that civil taxing unit for that calendar year. The denominator of
18	the fraction equals the aggregate budgets of all civil taxing units
19	of that county for that calendar year.
20	(h) If for a calendar year a civil taxing unit is allocated a part of a
21	county's distributive shares by subsection (g), then the formula used in
22	subsection (e) to determine all other civil taxing units' distributive
23	shares shall be changed each month for that same year by reducing the
24	amount to be distributed as distributive shares under subsection (e) by
25	the amount of distributive shares allocated under subsection (g) for that
26	same month. The department of local government finance shall make
27	any adjustments required by this subsection and provide them to the
28	appropriate county auditors.
29	(i) Notwithstanding any other law, a county fiscal body may pledge
30	revenues received under this chapter to the payment of bonds or lease

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

(a) In addition to the rates permitted by sections 8 and 9 of this chapter, a county fiscal body may impose an additional county option income tax at a rate of not more than twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if the county fiscal body

1	makes the finding and determination set forth in subsection (b).	
2	Section 8(e) of this chapter applies to the application of the	
3	additional rate to nonresident taxpayers.	
4	(b) In order to impose the county option income tax as provided	
5	in this section, the county fiscal body must adopt an ordinance:	
6	(1) finding and determining that revenues from the county	
7	option income tax are needed in the county to fund the	
8	operation and maintenance of:	
9	(A) a jail;	
10	(B) a juvenile detention center and other facilities	4
11	necessary to provide juvenile services; or	
12	(C) both subdivisions (1) and (2);	
13	(2) agreeing to freeze for the term in which an ordinance is in	
14	effect under this section the part of any property tax levy	
15	imposed in the county for the operation of the facilities

17	preceding the year in which a full year of additional county	
18	option income tax is certified for distribution to the county	
19	under this section.	
20	(c) If the county fiscal body makes a determination under	
21	subsection (b), the county fiscal body may adopt a tax rate under	
22	subsection (a). Subject to the limitations in subsection (a), the	
23	county fiscal body may amend an ordinance adopted under this	
24	section to increase, decrease, or rescind the additional tax rate	
25	imposed under this section. As soon as practicable after the	
26	adoption of an ordinance under this section, the county fiscal body	
27	shall send a certified copy of the ordinance to the county auditor,	
28	the department of local government finance, and the department	
29	of state revenue. An ordinance adopted under this section before	
30	April 1 in a year applies to the imposition of county income taxes	
31	after June 30 in that year. An ordinance adopted under this section	
32	after March 31 of a year initially applies to the imposition of	
33	county option income taxes after June 30 of the immediately	
34	following year.	
35	(d) The county treasurer shall establish a county facilities	
36	operation fund to be used only for the purposes described in this	
37	section. County option income tax revenues derived from the tax

imposed under this section:

1	(1) may be used only for purposes described in this section;	
2	and	
3	(2) may not be considered by the department of local	
4	government finance in determining the county's maximum	
5	permissible property tax levy limit under IC 6-1.1-18.5.	
6	(f) The department of local government finance shall enforce an	
7	agreement made under subsection (b)(2).	
8	(g) The department, after reviewing the recommendation of the	
9	budget agency, shall adjust the certified distribution of a county to
